

## CURRICULUM

The Gospel Project is a Christ centered Bible curriculum that follows a chronological timeline of Bible events—presenting the story of redemption through Jesus like kids have never seen it before! Each week, stories come to life through video, music, activities and more. The 3 year cycle began with Genesis in the fall of 2018.

## SICK POLICY

**Your child's health is important to us!** We ask that if your child has had:

- A runny nose (exception runny nose from teething)
- Cough
- Vomited
- Diarrhea
- Fever

in the 24 prior to a church or any related event that they not be dropped off in the nursery or be put in the King's Kids program. Our rooms are disinfected after each use and all toys washed/wiped down on a regular basis to prevent the spread of germs.

## OUR VOLUNTEERS

The Children's Ministry would be nonexistent without our volunteers! All those over 18 have completed the application process which includes an interview with our staff, a background check (updated regularly), and mandatory Child Abuse Prevention Training. We welcome 6th-12th graders to be assistants, with parent approval.

*Our goal is to teach children to understand, apply, and share God's word in a safe and loving environment*

## OUR PROGRAMS

**Family Worship** At TKC, after you get your child's nametag, bring all your children in the service during the worship time.

Don't worry! While our church family is happy to hear their squeals, coos and even their cries we realize it can be frustrating and distracting to yourself and others. Just like leaving them in nursery can take time, so can learning how to behave in the big church. Remember it's a phase and with patience, persistence and some training, the benefits of them learning how to worship God in their own childlike way makes it all worthwhile. Children are learning to stay in their chairs (or at least the aisle), sing along and even be quiet during prayer time. If however, one of your children (PK and under) is struggling during family worship time, we are here to help! Please take them to Rm 4 to be cared for so you can worship with your other children. The workers will then deliver them to their appropriate room when the children are dismissed, where you can pick them up at the end of the service. We hope this will ease any burdens out there and help improve your family worship experience! Each service ends with a short time of worship while children are still in King's King & nursery.

### NURSERY: 4 MONTHS-EARLY PRESCHOOL

(Rooms 1-4, Downstairs) Our Nursery is divided according to age groups. Toddlers and up are in classes that have a special Bible message and activity designed specifically for their developmental needs. Each room is furnished with ap-

propriate toys and equipment that is regularly cleaned to prevent the spread of germs.

### NURSING/QUIET AREA

(Room 3, Downstairs) Nursing mothers and infants to 4 months are welcome to use Room 3 to feed and care for your infant. There is a screened off nursing area with rocking chairs and a livestream of the service with Bluetooth headsets to stay "in" the sermon when you can't be "in" the sermon.

### KID'S CHURCH: PREK 4—5TH GRADE

(Rooms 5-8, Upstairs) This group has a great time while learning God's Word through Bible lessons, skits, videos, crafts, music and games! Immediately following Worship in the main sanctuary, they are dismissed from the sanctuary side door to the King's Kids hallway and led upstairs by their teachers. To better accommodate their learning needs, they are divided into PK4 (Rm 5), Lower Elementary, PK5-1st grade (Rm 8); Middle Elementary, 2nd-3rd grade (Rm 7) and Upper Elementary, 4th-5th grade (Rm 6). The groups have Bible Time, Small Group Activity time, and Bible Memory Time. For each learning unit, children are presented with a "Big Picture Question" and a unit memory verse brought to life by a Bible story and main point to remember. King's Kids Church is a great opportunity for children to build strong relationships with friends and Jesus Christ.

### MIDDLE SCHOOL (GR 6-8) SMALL GROUP

This is an age when parental involvement is so important, so this class is led by parents of our Middle

schoolers! They meet on the 2<sup>nd</sup> & 4<sup>th</sup> Sunday of each month (Conference Room in the Office), following worship in the sanctuary your middle schooler should check themselves in at the check-in stations prior to the service (no name tag is needed.) They are dismissed after worship directly to the conference room and released by their teacher at the end of their small group. It is a fun and relaxed atmosphere of fellowship with teachings that focus on using the Gospel as a means of growing in Christ and more fully experiencing His overwhelming love.

### DO YOU HAVE SPECIAL NEEDS CHILDREN?

Let us know how we can help you! Our *King's Kids Buddies* want all children to feel welcomed and included in King's Kids!

### KING'S KIDS TV

Check us out on YouTube!

We have a series of taped Kid's Church programs with stories, skits and lessons! And for our King's Kids families *only*, we have a safe & private online community to share stories, pictures and news pertinent to our King's Kids ministry.

### CHECK-IN/OUT PROCEDURE

Your child's safety is important to us! When you arrive at TKC, please check-in your child **FIRST** at our Check-in stations. Your child will receive a nametag and you will receive a label with a unique security code for your family. All children will be dismissed following worship. Children in rooms 1-4 need to be escorted by a parent to their rooms. Children in rooms 5-8 line up inside the sanctuary and are escorted to their classrooms upstairs by their teachers. No child through 5th grade is allowed into any room without an issued security name tag. Parents must present the security label at check-out for all classes except the Middle school class.
