

FALL  
2022

### From the Children's Ministry Director...

Here's a little bit of encouragement to make the effort to get to church IN PERSON consistently on Sundays - first from God and then from me, Dianna.

Hebrews 10: 23-24 says, " And let us consider how to stir up one another to love and good works, **not neglecting to meet together**, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near."

Why did God take the time to encourage us (Christians) to come together regularly? Because He knew we would need to be encouraged to come together! He knew that we would fight discouragement, depression and doubt. He knew about COVID and that it would be tempting to just live stream, sleep in, go to that game, etc. He made us to need Him and each other! I'm not talking about if you're not feeling well - for goodness sake keep those germs at home! I'm not talking about a much needed vacation. I'm not talking about being legalistic. I'm talking about prioritizing and modeling the importance of meeting together. So if you're tired, try the 11am service that week. Does your kid have an 11am game? Come to the 9:30am service and leave at the last song. Trust me these consistent efforts will encourage you and your kids and bless your family! Faith will grow. You can pray for and with each other. Friendships will be made and maintained for you and your kids. Make coming to church consistently a family goal and be encouraged!

**When we assemble together as a church family, we are to stir each other up in love and encourage one another in our faith.  
AND our KIDS DO TOO!**

*You are loved by me & TKC, Dianna*

### Fall King's Kids! New Schedule Starting September 11th!!!!

**Downstairs nurseries will now be open at the beginning of service (9:20/10:50).** This will help our nursery families to not miss the beginning of the sermon. It also helps our upstairs team by allowing them to drop off their kids before church and get their room in order. We will also have Cheerios for a snack in these rooms. If your child can not have them, please let the greeter know. If you serve downstairs, please be there 15 minutes early so we can accommodate this change! Teamwork!

**Upstairs Classes! After worship and during the pre sermon video, just send your kids to their teachers by the side door and they will leave without an announcement.** The PK4 - 5th grade classes will be using the GO! Curriculum which gets kids out of their seats and into the Bible storytelling action. Chronological, Gospel-Centered, and Fun! The Middle School Small Group (which only meets at the 11am service on the 2nd/4th Sundays) will dive into the Bible Project with Pastor Brian Roberts and team.
